

Paul D. Butler, M.D.

Foot & Ankle Surgeon
and General Orthopaedics

Iowa native, Dr. Paul D. Butler completed an orthopaedic foot and ankle surgery fellowship with the Orthopaedic Associates of Michigan, in Grand Rapids, MI. His interest includes knee arthroscopy and general orthopaedic fractures and specialty training in complex foot and ankle reconstruction includes:

- Sports injuries
- Traumatic fracture
- Arthritic degeneration
- Congenital malformation

Foot and ankle pain/injuries are commonly associated with orthopaedic lower extremity dysfunction. As a lower extremity specialist, Dr. Butler also provides:

- Arthroscopy
- Joint replacement
- Limb/foot reconstruction
- Fracture fixation options for other lower extremity problems

Whether it's getting back to competitive sports, running, or playing with children or grandchildren, Dr. Butler is excited to help patients get back to the activities they enjoy.

Outside of work, Dr. Butler enjoys golfing, hiking, skiing and spending time with friends and family.
